# PROGRAMS

# EDGE Certificate of Completion

The EDGE certificate program comprises the summer and winter bridge courses that help students make a smooth and successful transition into college. The program consists of three courses, usually taken simultaneously: one focused on math concepts and skills that prepare students for college-level quantitative reasoning courses; one focused on English concepts and skills that prepare students for college-level English and other written communication courses; and one focused on college success, which helps students to navigate the college environment and guides students through COD's myriad of support services and programs.
